Description

Formosa Marine is an Australian owned company, designing and building aluminium boats since 1998. Their mission has been to advance their boats with plate hull construction to handle the Australian environment, yet keep them affordable without skimping on quality and strength. Introducing the New Formosa SRT Plate Hull which combines the very best from Formosa's SEA-ROD and Tomahawk brands, packaging them into one skilfully engineered plate boat and rebranded as Formosa SRT

Get in touch with the team at Cranbourne Boating Centre to design your very own Formosa SRT Side Console Today
